

CUSTOMIZED INTERACTIVE BROCHURES

A digital brochure to showcase your program

Now more than ever, it is crucial to showcase online what makes your program or institution unique and why international students should choose to study there. Through beautiful imagery, compelling content, and a customized interactive experience, a digital brochure provides prospective students and their families with an in-depth look into the campus and its special offerings.

The Customized Interactive Package includes:

- 10-page customized brochure in English*
- Design services – you simply provide images and content, and Study in the USA does the rest!
- Trackable link to embed on your web site, social platforms, international student communications, email signature, email body, etc. – anywhere you can embed or place a link
- Featured on your Study in the USA profile
- Price \$2,500
